1500	339.55	313.97	162	371	55.94	0.2	5.47	6.45
1400	339.56	313.99	58	371	55.76	0.2	5.48	6.45
1300	339.57	313.99	58	371	55.58	0.2	5.48	6.45

* Time at the top of the chart is the most recent, then working backwards in time as you go down the chart.

** Inflow is calculated based on discharge and change in pool elevation. Inflow values are based on a running 4hour average calculation.
